

Community organisation pays tribute to life of Bianca Girven

Staff and all those involved with Micah projects in West End are deeply saddened by the circumstances of the tragic death in Mt Gravatt of Bianca Girven Tuesday Night.

"Yesterday we were deeply saddened to learn of the tragic and senseless death of a beautiful young woman," says Micah Projects Coordinator Karyn Walsh.

"Bianca Girven was a vibrant young woman, full of spirit and energy. She was actively involved in the community and passionate about addressing issues affecting young women and young parenting women.

"She will be greatly missed by her peers involved with the Young Mothers for Young Women network and other community organisations.

"Bianca achieved many things in her twenty two years and leaves behind a beautiful little boy. She was a wonderful mother, a loyal and caring friend and a beautiful person both inside and out.

"Bianca touched many lives with her spirit, style and energy. Her commitment, drive, compassion and love were an inspiration for many.

"Micah Projects send our condolences and thoughts to her son, her family and the many people whose lives she has touched," says Karyn.

Micah Projects is a community organisation supporting individuals and families experiencing disadvantage, including Forgotten Australians and former child migrants.
